FERRAMOL[®]
SINCE 1979

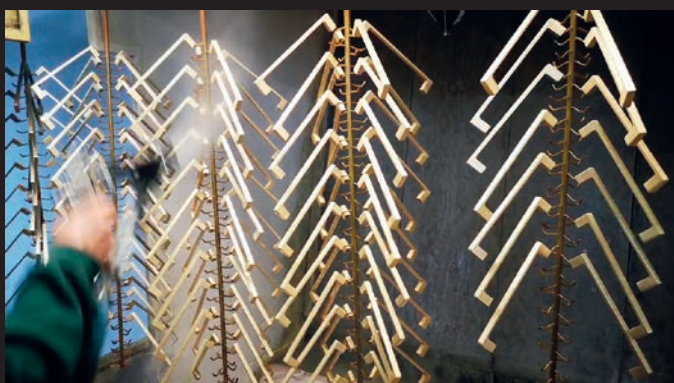

FERRAMOL®

Somos una Empresa familiar, con una experiencia de más de 30 años en el sector del Mueble de Cocina, Baño y en general. Hoy, la segunda generación está modernizando los sistemas productivos y de diseño de producto, como la gestión, para ofrecer a nuestros clientes con productos innovadores que reinventan las formas.

INNOVACION Y PRODUCCIÓN

Los procesos productivos son exigentes con el respeto al medio ambiente. Para la fabricación de Ferramol® utilizamos exclusivamente materiales de alta calidad: Zamak, Nickel, Bronce, Aluminio, Plástico, Inox, etc.

Ferramol® está presente en los principales mercados nacionales e internacionales de mobiliario. Igualmente la marca Ferramol® expone sus creaciones en las más importantes ferias.

FERRAMOL®

We are a family business, with more than 30 years of experience, that designs and manufactures fittings for the kitchen and bathroom furniture sector and in general. Today, the second generation is modernizing both production and product design systems, as well as management, in order to respond to our customers with innovative products that reinvent classic forms.

INNOVATION AND PRODUCTION

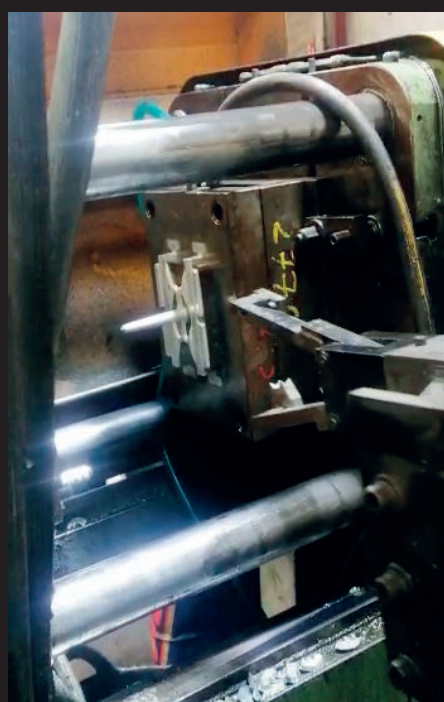

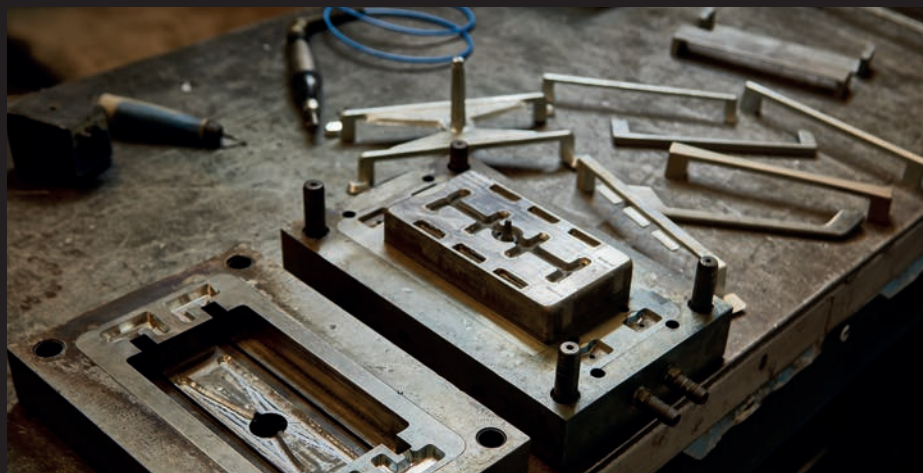

The production processes are demanding with respect to the environment. For the manufacture of Ferramol® products we use exclusively high quality materials: Zamak, Nickel, Brass, Aluminium, Plastic, Inox, etc.

Ferramol® is present in the main national and international markets for wholesalers and furniture manufacturers. Likewise, the Ferramol® brand exhibits its creations at the most important international fairs.

s de 30 años, que Diseña y Fabrica Herrajes para el segunda generación, está modernizando tanto los gestión, con la finalidad de responder ante nuestros formas clásicas.

FERRAMOL®

Nous sommes une entreprise familiale, avec plus de 30 ans d'expérience, qui conçoit et fabrique des équipements pour le secteur de la cuisine, de la salle de bains et du mobilier en général. Aujourd'hui, la deuxième génération modernise à la fois les systèmes de production et la conception des produits, ainsi que la gestion, dans le but de répondre à nos clients avec des produits innovants qui réinventent les formes classiques.

L'INNOVATION ET LA PRODUCTION

Les processus de production sont exigeants en termes de respect de l'environnement. Pour la fabrication des produits Ferramol®, nous n'utilisons que des matériaux de haute qualité : zamak, nickel, laiton, aluminium, plastique, acier inoxydable, etc. Ferramol® est présent sur les principaux marchés nationaux et internationaux des stockistes et des fabricants de meubles. La marque Ferramol® expose également ses créations dans les plus grands salons internationaux.
